a little pampering too!

Thursday, Oct. 4, or Tuesday, Oct. 23
5-7:30 p.m.

Reserve your spot by calling
615-449-8621, option 2.

Is it time for you to have a mammogram? For women of average risk, the American College of Radiology recommends annual mammograms starting at age 40, with no upper age limit for women in good health. Different guidelines apply to women at higher risk.* A screening mammogram can help detect breast cancer in its earliest and most treatable stages.

Tennova Healthcare - Lebanon
Outpatient Center
1411 W. Baddour Parkway, Lebanon
Tennova.com

†The price of \$99 includes both the hospital and radiologist fees. This price applies only to a screening mammogram for women who are asymptomatic. Payment is due at the time of service.

*For a list of risk factors and American College of Radiology recommendations, visit www.acr.org.

Appointments are on a first-come, first-served basis. An order from a physician or qualified healthcare provider is not required, but the patient must provide a physician/provider name when an appointment is made. All mammogram reports will be sent to the physician/provider, and the patient is responsible for follow-up.

Check with your insurance provider to confirm coverage for a screening mammogram.
